MXR™

\$499 MSRP

The 2019 MXR is a one-of-a-kind, high-performance hunting bow offering accuracy and speeds traditionally found in higher priced bows. Built around our Crosscentric® Cam technology, the MXR is powerful and efficient. The seven inch brace height enhances forgiveness and accuracy, while the proven cam system generates 324 feet per second for performance you can be confident in. The MXR also features a new grip, refined with a thinner, more ergonomic profile that minimizes torque and enhances comfort.

EXCEEDING

EXPECTATIONS

***WE BUILD THE HIGHEST QUALITY YOUTH BOWS THAT
PROVIDE BOTH VERSATILITY AND PERFORMANCE.***

HAMMR™

\$299 MSRP

The all-new Hammr is the perfect solution to growing archers. Our new Fast Fit cam technology offers half inch draw weights for a wider range of adjustability and is quicker and easier to adjust than ever before. The Hammr's cam system also provides an improved back wall for a more consistent anchor point. We've added a Dead End string stop to dampen post-shot noise and vibration, and a newly designed grip that is comfortable for a wide range of shooters.
